

## **Worth Neighbourhood Development Plan: Request For Special Dispensation**

In order to represent the electorate of Worth, and to carry out mandated business

I, **Councillor Mrs Miriam Bull**

request that council grant a dispensation relieving me from standing order restrictions on participating in discussions and in voting on business relating to the Worth Neighbourhood Development Plan.

I submit the reasons for the dispensation;

(a) without the dispensation the number of Councillors prohibited from participating in NDP business would be so great a proportion of the body transacting business as to impede the transaction of the business;

(c) granting the dispensation is in the interests of persons living in the Authority's area;

(d) having been mandated through election to work on the NDP

I propose the dispensation should last until the NDP succeeds at referendum or four years whichever is the shorter, effective from **9 January 2013**

Where I consider that my pecuniary or other significant interests are so great that I cannot make an unbiased judgment, I reserve the right to withdraw from voting.
